1. Welcome

Meeting called to order by Garrilyn Mousser at 3:38 pm.

2. Purpose of Meeting

Fiscal 01 2019-20 Title I, Title II, and Title IV accounting reports were distributed. Robert Fellingner explained how to read the reports.

Sarah Wickenheiser of Bonnyview was elected as the Chairperson and Matthew Balch of Shasta Union was elected as the Vice Chairperson.

3. Categorical Funding Review

Discussion took place regarding categorical funding and how the funds are allocated based upon the 2018-19 Demographics and the California Longitudinal Pupil Achievement Data System (CALPADS).

- a) Title I funding is provided by the federal government for students from low-income families. The school-wide Title I programs are designed to improve academic achievement for all students. Expenditures must be supplemental to the regular educational program and must ensure that all students have access to a well-rounded education.
- b) Title II provides funds to be used for professional development for teachers, assistant principals, and principals.

Discussion took place regarding why School Site Council is important (SSC).

- a) SSC is a community group that participates in school-based program coordination.
  - b) The SSC Members represent parents, community members, teachers, and other school staff.
  - c) SSC is a legally required group and provides school staff members, parents, and community members a voice in improving student achievement.
  - d) SSC recommends the Single Plan for Student Achievement (SPSA).
