PAC Meeting Purpose and Scope. The role of the Parent Advisory Committee (PAC) is to provide advice to the Redding School District Governing Board and superintendent on the District's Local Control and Accountability Plan (LCAP). The LCAP is a document that memorializes the District's goals for student achievement, action items to achieve the goals, and performance metrics to assess the District's progress on reaching these goals. The LCAP should provide public stakeholders a clear picture on how Redding School District is spending their state-allocated funds in order to meet State and local priorities for student achievement. PAC meetings engage parents in the public process for reviewing and commenting on the District's LCAP.
