REDDING SCHOOL DISTRICT
MEASURE B
GENERAL OBLIGATION BOND OF 2018

On June 5, 2018, 63% of the Redding School District voters passed the \$28 million Measure B Bond, to renovate aging classrooms, school facilities, and infrastructure. The average age of schools in the District is over 55 years and by improving our local schools, we can meet today's safety, technology, and educational standards and improve our community.

Under Proposition 39, a school district's Board of Trustees is required to establish and appoint members to an Independent Citizens' Bond Oversight Committee (CBOC). The purpose of the CBOC is to inform and alert the public regarding the expenditures and uses of Measure B Bond money.

At least one time annually, commencing with the end of the first fiscal year in which any bond proceeds are expended, and continuing through the end of the fiscal year in which bond proceeds have been spent in full, the CBOC shall prepare an annual written report to the Redding School District Board of Trustees.
