

July 28, 2023

Dear Parents, Guardians, and Students,

Welcome back to another exciting academic year at Redding Elementary School District! I hope this letter finds you rejuvenated and eagerly anticipating the upcoming school year. Whether you are returning or joining us for the first time, we are thrilled to have you as part of our school community.

As the new Superintendent of Redding Elementary School District, I am honored to lead a dedicated team of educators and staff who are committed to providing a safe, nurturing, and intellectually stimulating environment for all our students. Our goal is to inspire a love for learning and empower each child to reach their full potential both academically and personally.

Over the summer, our teachers and staff have been working diligently to prepare for the new school year, creating engaging lesson plans, enhancing classroom resources, and refining our approaches to education to ensure a rewarding and impactful experience for every student. We are excited about the initiatives and improvements we have in place, and we cannot wait to see the positive impact they will have on your child's education.

As we embark on this academic journey together, I encourage all of you to stay actively involved in your child's education. Regular communication between parents, teachers, and the school is a crucial component of a student's success. We value your feedback and partnership, and together we can create a supportive and thriving educational community.

As we navigate the challenges that may arise during the school year, we will work together to overcome them with resilience and adaptability. Our shared commitment to education and collaboration will be the foundation of our success.

Lastly, I want to extend a heartfelt thank you for entrusting your child's education to us. We take this responsibility seriously and are dedicated to ensuring your child's growth, learning, and well-being.

Let us all join hands in making this school year an unforgettable and transformative experience for our students. Together, we will inspire curiosity, nurture creativity, and unlock the true potential of each child.

I am looking forward to a fantastic year ahead!

Warmest regards,

Cindy Bishop
Superintendent
Redding Elementary School District
